This CHRK GENESIS 1500T son, Apocalypse, was bred by one of Nolan Ryan's Beefmaster Ranch Managers Charlie Bradbury, yes the MLB HALL OF FAMER Nolan Ryan! This bull is just as exceptional now at 10 years old as he was a young buck. His collection was graded excellent by the owner of Continental Genetics in the spring of 2022. Let Apocalypse help lead your pastures into full heavy weaning in the 5-600# Club calves with an average birthweight in the high 60's low 70's! This is the gateway to the perfect out, Genesis. We've provided pictures of a a few heifers from this year!
