We are proud to be offering semen on sires that have stood the test of time and were built for longevity being practical in their build and futuristic in their look when they hit the ground. Bulls like Full House make it exciting to go back a few years and reuse sires like him that had a positive impact on the breed. Full House's sire HR Power

House I is a two-time International Champion that will go down as one of the breed's most influential sires. Full House's dam LM Robs Muneca 3E/89 "Matriarch" herself was a breed pillar, with ninety-three head in the registry to her credit.

Full House is one of the few Triple Crown winning Simbrah show bulls on the semen market and the sire to some of the breeds most influential cattle, including the 2011 International Champion Bull LMC Rhino, the dam to the popular 6G/LMC Rajin Cajun bull, Pine Ridge Ranch's successful Prevail bull and numerous productive cattle for Simmentals of Texas. We believe that Full House still has a lot to offer the breed given his record in and out of the show ring, his TOTALITY and worldwide acceptance. Don't miss this opportunity to utilize this proven sire's influence in your herd.

Quantity: 5
