Are you looking to immediately produce polled cattle? 100% of the calves resulting from this aspiration will be POLLED even if bred to a horned sire.

LMC Polled Carla 149/5 is sired by LMC Polled Madison 133/0 who is the sire line that created many of the influential animals for La Muneca Cattle Co. to include Polled Pathfinder, LMC LN Polled Pappo, and many others.

Not only is Carla polled but she has perfect American Brahman breed character, a sound structure, and an outcross foundation pedigree in a flawless, easy keeping, and front pasture package.

Dehorn them before they are born!

We are guaranteeing six transferable embryos with the work to be done by a licensed technician in a mutually agreed on facility.
