WALTERS Olive 469 delivers if you are searching for POLLED genetics. She is a direct daughter of LMC Polled Spice who is an LMC Polled Ambassador daughter. Spice was successfully campaigned by Winston with top winnings at San Antonio, Houston and many other shows along the way. Olive is sired by WALTERS Hollis, making her a full sib to WALTERS Stella who during her show career was the Reserve Grand Champion Female at Dixie Nationals and State Fair of Arkansas as well as being selected Reserve Calf Champion at both the Kick-off Classic and the International Show during Houston.

This is a broody female with a lot of that "Polled Spice" look - big middle, super wide pin set and lots of flex in a SMOOTH POLLED package. Olive sells open and ready for you to advance your POLLED genetics.
