Registration Number: ABBA # 902121

Brand/Tattoo: 596/1

Calf Info: WALTERS JODEE - ABBA # 1041652 - 12/2/2021

WALTERS Jodee 496 & BNA Miss Nel Manso 596/1 are a cow/calf pair we are offering. We decided to call our sale "Something For Everyone" and have tried to give our buyers some variety in the lots selected. As we chose various sale lots, we talked about WALTERS Jodee as being only 4 plus months old at sale time. We wanted to offer this young baby doll sired by WALTERS Hollis and decided that we would share the opportunity to purchase both her and her dam, BNA Miss Nel Manso 596/1 "Snapper",

Snapper is a Barney Allen bred female that was a TJBA State Show Grand Champion Gray Female for Mary Kate as a calf and went on to win Grand Champion Brahman Female at the Fort Worth Junior show as well. This cow has done it for us! We showed her and she won for us; we bred her and she produced champions for us. WALTERS Mona shown by Madison Peterson, who was Grand Champion Gray Brahman Female at the Kick-off Classic Open show in 2020, is one of her champion offspring and is also a full sib to WALTERS Jodee. With over 50 embryos of various matings on ice from Snapper, we have decided to allow her Buyer to share the genetics she brings to the table. To boot, with Snapper comes Jodee the knock out baby sister to Mona who is a little stouter boned and possibly carries a little more mass to her throughout. The cow sells open and ready to breed or flush to the bull of your choice with a heifer calf that is definitely a show prospect for her new owner. NOTE: Walters Livestock will retain multiple owner status of BNA Miss Nel Manso 596/1 for the exclusive purpose of registering as the breeder frozen embryos contained in our embryo bank. Walters Livestock does not retain any rights of possession or future embryo production from BNA Miss Nel Manso 596/1.

Quantity: 1
