WALTERS Tessa 477 has a bright future ahead of her. She is another daughter of WALTERS Otto (a half sib to WALTERS Rebel) who was Grand Champion Bred & Owned bull at the All American as a calf. Her dam is a cow that brings both JDH and Circle T genetics to the table. Tessa has timber for legs - huge bone and foot. Above the ground, she is one of the best bodied heifers offered. Tessa is powerful in her fore rib with a big sweep is long fronted and has an uncommonly level hip for a Brahman in a package with some extra pigment that could make her an

asset in either a red or gray breeding program. Tessa is still show ring eligible or ready for the breeding/donor pen. She delivers lots of options to any Buyer.
