**Breed:** Simbrah

**Registration Number:** ASA # 4016742

**Brand/Tattoo:** 37J

WALTERS Jadeyn 37J is our curve ball in the sale. This solid red POLLED SIMBRAH heifer is a granddaughter of the simmental bull, JF Milestone, and a great-granddaughter of the Priceless cow that was an icon for Smith Genetics. Jadeyn follows closely in her mother's, grandmother's and great-grandmother's pattern with extreme depth of body in a super square made package. The rib shape in this heifer makes her super broody and very cool. She has great hair and a really gentle

disposition. Jadeyn is worth a good hard look for those interested in a high quality Polled Simbrah female.
