ECC Polled Lorelai 619/1 (P) is backed by some of the most proven genetics in the breed. She is sired by ECC Polled Rio King 104/8 (P) who combines ECC El Caporal 301 and ECC Sherri K Crickett 302, the No. 6 Polled Bull and Polled Cow in the USA. The dam to Lorelai is a cow that we purchased from RB Ranch that is also the dam to our

herd sire, ECC Polled Sicario 700, validating her production. If you are interested in outcross Polled genetics this is a great female to consider.
