ECC LMC RR Polled Blue 657/1 (P) is a female that draws lots of excitement, and rightfully so! As indicated by her name, this female is beautifully dark pigmented, which only adds to her phenomenal phenotype that is high-volumed, long, level and feminine. Blue is one of the first daughters that we have offered by ECC Polled Comandante 749 (P) who was a National Show Class Winner and now one of our most

proven herd sires. Not only is Comandante an impressive bull “in the flesh” but he is also a full brother to LMC LF Polled Lolo 127/4 (S) who is our winningest show cow and one of our top donors. The dam to Blue is a regular calving cow that is the result of crossing Mr. JS Polled Patron (P) with LMC Polled Cricket 23/1 (P) who combines some of the most proven and popular genetics in the breed. It should also be noted that Blue ranks in the Top 20% of the breed for BW EPD and Top 10% for Marbling, further adding value to her as a breeding piece.
