WOW is about all that you can say about ECC K-K Polled Khloe 103/1 (P)! The first thing that catches your eye is her amazing build being heavy structured, deep ribbed, long bodied and dark pigmented. For those that are looking for an "All Around" female you will appreciate the pedigree and performance of Khloe that ranks in the Top 25% of the breed for Growth and Marbling EPD. Khloe is sired by ECC Polled Comandante 749

(P) who was a National Show Class Winner and now one of our most proven herd sires. Not only is Comandante an impressive bull “in the flesh” but he is a full brother to LMC LF Polled Lolo who is our most winning show cow and now one of our top donors. The dam to Khloe is LMC LF Polled Ten 105/6 (P) who was purchased in the International Sale for \$19,000 and was in the first crop of embryo calves produced by the 2016 Reserve International Champion, +LMC Polled Passion 55/4 and by Mr. V8 139/7. It should be noted that Polled Ten’s pedigree contains the two most influential cows in the breed within the first two generations of her pedigree with +Miss V8 797/6 and +LMC Polled Passion 55/4. The genetics do not come any more proven!
