Dam: MISS DOUBLE A 468/7

Breed: Brahman

When you evaluate our program there is one cross that is always a home run. This is the cross of our foundation sire LMC Polled Authority 115/0 (P) and Miss Double A 468/7. This same cross produced LMC ECC LF Polled Lolo 127/4 (S) who was our most winning cow turned proven donor, and the National Show Class Winner and now proven herd sire, ECC Polled Comandante 749 (S). It should also be noted that both parents have produced numerous other breed influencers independently, further validating their production power. Authority currently ranks in the Top 10 sires for Polled registrations in the ABBA while 468/7 has produced our top young herd sire ECC Polled Maverick 302/9 (S) as well as multiple high sellers for us. This is our first time to ever offer these embryos on the open market.

Purchase price = 3x the bid. Selling a package of three (3) embryos with a guarantee of one (1) 60 day pregnancy if implanted by a certified embryo technician. If no pregnancy is achieved from the first three (3) embryos, an additional embryo will be given. Upon calving, ECC will provide buyers with a maximum of three (3) breeding certificates.
