ECC Polled Fancy 114/8 (P) was a member of our show string for three years before assuming her role as a top young donor. There is so much to LOVE about Fancy! The first thing that strikes you about Fancy is her superior phenotype that is huge bodied, long, level, super feminine, beefy, heavy structured, and most importantly, one of the best udders we have ever seen! Once you study Fancy, it is realized that she is a half sibling to two of our hottest herd sires. The sire to Fancy is Bardia Ambassador (P) who also sired ECC Polled Maverick 302/9 (P), one of the most exciting sires in the breed! In addition, she is a half-sister to the Australian Beef Week Champion Female which helped Bardia achieve the title of Australian Brahman Sire of the Year in 2017. Many of our show winners, top sellers and herd influencers are a result of his offspring. The dam to Fancy, D Bar Miss 768/1, is also the dam to ECC Polled Chief 719 (P). For many years while 768/1 was alive, she was ALWAYS the favorite of everyone who visited the ranch due to her beautiful build, superior performance values and proven production. Fancy's first natural calf by ECC El Caporal 301 (S) sold half interest to Burton Hebert

for \$16,000. ECC Polled Rio King 662/1 (P) is OUTSTANDING as are her first embryo transfer offspring. We are truly offering our best with this aspiration opportunity! Selling one aspiration with a guarantee of six embryos to be facilitated at a mutually agreed upon facility.
