Lyssy Beefmasters is bringing you a herd changing opportunity with this pick of flushes! If you have been following the Lyssy breeding program you know they are giving you a chance to flush some of the powerhouses from the heart of their donor pen. Buyer has the option to flush one of these donors to the bull of their choice, with a guaranteed minimum of 6 transferable embryos. All of these donors have made a name for themselves and whoever buys this flush is going to have a hard time picking which female to capitalize on!

**Terms of flush:** One conventional flush or IVF aspiration from the pick of donors. Minimum guarantee of 6 transferable embryos. Flush company can be determined by purchaser and Lyssy Beefmasters. All flush cost and semen cost will be the responsibility of the purchaser.

**Quantity:** 1
