Quickly becoming a Beefmaster legend, CF Prime 8 is leaving his mark across the breed with high caliber progeny as seen in this very sale offering. With the unmatched combination of Logan and Miss Superior 8, this is as close as one can get to those famous production lines. Unfortunately for the breed, the semen is extremely rare and the bull has sadly passed on. Clark Jones and Cottage Farm is offering up some of the very last semen available in their inventories. Here is a shot at a 2 straw package with 5 AI certificates. This is a high value offering that sold for over \$1,500 a unit in the Southern Tradition sale this past June.

Quantity: 2
