Ms. Polled Sandglass 19/1 (P) is a POLLED heifer that has been shown for the past two years by a junior exhibitor. Study the phenotype of this heifer and think of the endless breeding possibilities due to her practical build, length, and levelness. We purchased the dam to 19/1 from La Muneca-Flores Cattle Company several years ago and created 19/1 in the first aspiration. The dam to 19/1 is a daughter of the 2015 International Champion & proven sire +Mr. H Elijah Manso 281/2 and the 2016 Reserve International Champion and proven dam +LMC Polled Passion 55/4(P). There is no doubt that you

are impressed with the bottom side of this pedigree but to further strengthen it is her sire Mr. 4F Polled Ice Man 3/6 (P) who was a former show bull and now proven sire for 4F Cattle Co. & England Cattle Company. Ice Man is sired by LMC Polled Sambo 45/0 and out of LMC LF Polled Elma 214/4 who are two of the most popular and proven polled animals in the breed. To complete this impressive package 19/1 is performance packed ranking in the top 1/3 of the breed for the valuable traits of Weaning Weight, Yearling Weight, Milk, and Marbling EPD's. If you are looking for a cornerstone breeding piece that combines the essentials of PEDIGREE, PHENOTYPE, PERFORMANCE, & POLLED then look no further. Due to just getting 19/1 back from the show road she has not been exposed. We will include 2 straws of our POLLED herdsire LMC Polled Perfecto 87/8 to be used to AI her.
