Miss Sandglass 55/2 is one of our favorites in the sale!!! We like so many things about this growthy, big boned, heavy muscled, long bodied, level made, and super feminine female. 55/2 is a maternal half sister to lot 2 being out of LMC LF Polled Marisa 149/7 (P). As you read above Marisa results from combining the 2015 International Champion and proven sire +Mr. H Elijah Manso 281/2 with the 2016 Reserve International Champion and proven donor dam +LMC Polled Passion 55/4. We mated this well-bred donor with Mr. H Able Manso 307/9. We are huge fans of Able and in fact were the very first breeders in the USA to purchase his semen. Able was an All American Reserve Grand Champion where he also was named as the High Scanning

Carcass Bull. Heritage Cattle Company has used this bull successfully and as a result of his superior progeny an exclusive was recently sold on him to Australia. Able is a son of JDH Turkana Manso who won the 2021 International Champion Get of Sire and out of the former show winner and now proven donor Lady H Barbie Manso 319/2. We see the breeding potential of 55/2 being HUGE due to her pedigree and build!

Quantity: 1
