Package of 3 Embryos. Bid Price is Per Embryo

This mating turned out good as well. The heifer we have out of this mating is a touch longer than the one out of Wicked Witch. She also has the neck one would want in a show heifer. Red females with bone, length, and phenotype, and perfect udders never go out of style. This mating should also have great carcass data as JT 194 usually out performs Wicked Witch.

Quantity: 3
