This lot is sure to be a beauty pageant winner with EMS Miss Texas stealing the show. Just as her name implies, Miss Texas is exquisitely designed. From length and stretch to angularity of front and levelness of hip, this past champion has it all. Milking ability is also abound in this donor with a perfect udder and high milk EPD in the top 25% of the breed. Putting Bet on Bubba back over the top creates the perfect mix of style with power and does it in a proven winning combination. To top it off, you get the predictability of cow families when Oasis, Sugar Pie, and Miss Buff are all at work.

Embryos are frozen Sexed Female IVF grade 1 quality and stored at Transova Genetics in Bryan, Texas.

All embryos must be picked up or transferred within 60 days of purchase. If the initial three embryos do not result in one 90-day pregnancy, one extra embryo will be given

to the buyer at no charge in lieu of the guarantee. The resulting sex of the calf is not 100% guaranteed, however sexed embryos are generally over 90% accurate.
