CF Breathe Easy is the perfect name for low birthweight, calving ease bull by the great Fusion bull that has sired so many high sellers over the years. Speaking of high sellers, Breathe Easy was one of the higher sellers in a past CF Performance bull sale because of his overall desirability among breeders. Anytime you can get a low birthweight bull with ample performance, a great \$M index and the proven maternal traits of Fusion

and The Picture Cow, you just can't go wrong. From his high IMF over 4% and big REA of 13.35" to his top 3% milk EPD, you can breed away here and still Breathe Easy while you sleep.

Semen stored at Elgin Breeding Services and must be transferred or picked up within 60 days of sale. Semen not claimed after 60 days will be forfeit. Semen sells with 5 Certificates - Additional certificates can be purchased for \$50/certificate.
