Here is your chance to invest in the iconic Polled Madonna Cow Family! ECC Polled Skipper 828/3(P) is the result of a proven mating, crossing Maverick over ECC LMC KPBR P Rouge 541, a daughter of the Register of Renown dam, and one of the most popular and proven Polled Brahman Cows in history, +LMC +S Polled Madonna 274/1. This mating also produced ECC Polled Good Lord Lorrie (P), a full sister, and one of the sale features from last year, selling to BG Brahman.

We believe in this female because she has a world of proven genetics behind her! Her maternal granddam, Madonna, is best known as the dam of the 2016 Reserve

International Champion, +LMC Polled Passion 55/4, as well as 44 more progeny who have a public sale average of more than \$17,000. Skipper's maternal grandsire, +Mr. V8 279/7, is the No. 1 most widely used Polled Brahman sire in the breed based on registrations.

In addition to her outstanding genetic background, Skipper is phenotypically superior being big bodied and feminine, combining this into an eye-appealing, dark-pigmented package. Style, grace and donor potential, Skipper is fancy, and she knows it! She is halter broke with show ring experience, and we are confident she will be one of the highlights of this year's sale.

Terms

ECC reserves the right to one (1) flush or the split of two (2) flushes, minimum of six (6) embryos, on all heifers in the sale.

Quantity: 1
