The only Ice Man daughter to sell! ECC Polled Nikki 812/3 (P) is a beautiful, moderate framed, deep ribbed, and beefy female that comes in an ultra-stylish package. The sire to Nikki is the popular Mr. 4F Polled Ice Man 3/6 (P), who we own in partnership with our good friends at 4F Cattle Co. If you follow our sales, you know that Ice Man has been the sire to many of our show winners and high sellers. He is sired by LMC Polled Sambo 45/0 (P) and out of LMC LF Polled Elma 214/4 (S) who both rank in the Top 4 of the breed for registered Polled progeny. Recently, an Ice Man daughter demanded top dollar in AT Brahman's spring online heifer sale — the first Polled female to come from their program!

Nikki's dam is a donor that we purchased from our friends at RB Cattle, who results from an exclusive semen package purchased on JDH Mr. Manso 281 and out of the most influential dam at Moreno Ranches, +Miss B-F 201/9 who has an astounding 133 progeny. Miss RB 931/5 "Azalea" is a proven producer for us, with ECC K-K Polled Pam Tillis shown by Kinsley Gandy, to her credit. For those looking for a "total package" female, study the genetic profile of Nikki, and you will notice that she charts positive for the Growth Traits of Calving Ease and Weaning Weight. We see this female as a GREAT breeding piece!
