Every year, much thought and consideration goes into selecting an elite female to feature in Lot 1, a title that is not easily obtained. The female headlining this year's sale took social media by storm with just a 12 second video clip! "Boy did Chelsea cause an uproar in our house," shortly after posting her highlight reel online, the messages started rolling in and she attracted more than 10,000 organic views. The "Picture Perfect" female donning the coveted Lot 1 spot is ECC Polled Chelsea 814/3 (P). Striking in her appearance, this beautiful female is sired by our exciting young herd sire, ECC Polled Maverick 302/9 (P). A bull who needs no introduction, Maverick's superiority is recognized around the world with his semen interest selling to JRL Stud

in Australia as a yearling, and later securing a partnership with B.R. Cutrer, Inc., one of the USA's premier Brahman ranches. The dam to Chelsea is a cow that consistently knocks it out of the park, having produced foundation females for our herd, and a one of our feature consignments to the 2023 ABBA Performance Bull Test and Sale. ECC Ms. Rio Queen 411 (P) is a daughter of LMC Polled Authority 115/0 (P) and a Sunnyside Ranch cow that was in the first group of females that helped to build England Cattle Co. as we know it, today. Due to her being a product of these foundation lines and expressing Polled parentage in her pedigree for more than three generations, she earns the title of an England Cattle Co. "Polled Power Cross." To add even more excitement to this offering, Chelsea comes halter broke with show ring experience. We see Chelsea as an extremely exciting offering due to her potential in the show ring but more importantly her superior genetic background. Do not let this one go by.

Terms

ECC reserves the right to one (1) flush or the split of two (2) flushes, minimum of six (6) embryos, on all heifers in the sale.

Quantity: 1
