Genetic excellence is one way to describe ECC Polled P.J. 813/3 (S). This extremely stylish, and ultra-feminine, female is the spitting image of her dam, ECC Polled Fancy 118/8 (S). If you have followed our program, you have heard us brag about Fancy being the best-uddered cow we have ever produced. One look at her in the flesh and it is clear to see that she is the definition of femininity! What do we mean? A well-respected breeder once told Benton, feminine females are the ones that cause you to snap your neck back for a double take. P.J. has been causing us to about wreck the truck looking back ever since she was a calf! On the top side of her pedigree, she is sired by ECC Polled Comandante 749 (S) who was shown successfully and is a full

brother to LMC ECC LF Polled Lolo 127/4 (S), the proven donor and top seller of last year's sale, selling for \$28,000. It should be noted that a son of Fancy was our featured heard sire prospect in last year's sale and sold half-interest to 3H Rice & Cattle for \$16,000, further validating her producing ability. P.J. is a full sister to ECC Polled Midge 810/3 (P) who is burning up the show ring for Kinsley Gandy. A female that combines our TOTAL program, P.J. has the potential to excel in the show ring and be a dynamite producer in the pasture! She is halter broke and ready to hit the show circuit.

Terms

ECC reserves the right to one (1) flush or the split of two (2) flushes, minimum of six (6) embryos, on all heifers in the sale.

Quantity: 1
