ECC Polled Ken 794/2 (S) puts the POWER in POLLED! Right off you appreciate that this bull is beefy, deep, long, level, and super eye appealing. You then dive deeper to find out that he has show ring experience and is backed by some of the most proven parents on the ranch. One glance at his pedigree and you see that Polled Ken is the result of a $\frac{3}{4}$ brother x $\frac{3}{4}$ sister mating doubling up on +LMC LF Ambassador and Miss Double A 468/7 genetic lines. He is the very first son of ECC Polled Maverick 302/9 (S) that we have offered for sale, and we are seeking a progressive Brahman breeder to partner with on a bull that we believe has a future as bright as his sire. Ken caught the attention of many cattlemen online for his impressive round muscle shape and

attractive profile. You will have to watch his lot video for the full effect! To further add value to this herd sire prospect, he had a moderate Birth Weight of 75 lbs and ranks in the Top 15% of the breed for Marbling EPD's. Also, we think he is the spitting image of his paternal grandsire, #Bardia Ambassador, who has greatly influenced our breeding program! An all-around, complete herd sire prospect who passed a breeding soundness exam at 15 months and is ready to go to work!

1/2 Interest Sale Terms

ECC will retain half (1/2) interest in the bull. Buyer will be purchasing half (1/2) interest (50% ownership and 50% possession). Semen collected will be split 50/50, and all associated collection fees will be split 50/50 as well. Buyer will have the first opportunity to use the bull if they so choose. Bull will be registered as multiple-owned between both parties.
