A totally different genetic offering than the other females in the sale! ECC Polled Natasha 844/3 (S) is out of LMC ECC Polled Lady 150/4 (P) who came from the same calf crop as LMC ECC Polled X-Factor 84/4 (P), both being sired by LMC Polled Future 17/1 (P). The genetic pedigree on this female can be traced back to the popular Miss V8 831/5, the 2002 International Champion owned by the Acevedo Family of Double A Ranch.

The sire to Natasha is ECC Polled Chief 719 (P) who is responsible for four lots in this sale, including the service sire to ECC Polled Monroe 705/2 (S) in Lot 16. We love the consistency of the calves sired by Chief so much so that we continue to use him as a

natural service sire in our herd, season after season. At just five months old, Natasha's best days are ahead and we cannot wait to see her potential as a breeding piece in your herd!

### **Terms**

ECC reserves the right to one (1) flush or the split of two (2) flushes, minimum of six (6) embryos, on all heifers in the sale.

**Quantity:** 1
