Stacie's mom has got it going on! ECC 4F Polled Stacie 780/3 (P) is our pick of the replacement females as she is out of one of our favorite females to carry the ECC brand, the many-time champion, ECC 4F Polled Dora 359/9 (P). Study Dora's pedigree and you will see that she combines Polled Pathfinder who is one of the most proven Polled sires in the world, due to the success of his offspring, and +S Donna 247 who was one of the first Polled cows we purchased for our breeding program, and used successfully, with 23 offspring to her credit.

Dora racked up many championship banners for Tanna Trapp including a Reserve Senior Division win in San Antonio and the first Brahman to win Supreme Champion

Female in Willacy County in almost a decade.

Stacie is the oldest Maverick calf that we have at the ranch available for sale, honestly because she was in our keeper pen until Chris came and convinced us to put her in the sale! This heifer is hard to let go, and a must for anyone looking to fast track their Polled breeding goals.

Terms

ECC reserves the right to one (1) flush or the split of two (2) flushes, minimum of six (6) embryos, on all heifers in the sale.
