Don't let this little lady fool you, her best days are ahead! ECC Polled Miranda 863/4 (P) is the result of proven genetics and is genetically identical to Lot 2. Yes, you read that right! Miranda and Skipper are out of full sisters that combine the proven pedigrees of +Mr. V8 279/7 (P) and +LMC +S Polled Madonna 274/1 (P). To add even more excitement, this ultra-feminine, long, and level female is one of six ECC Polled Maverick 302/9 (P) daughters we are offering in the sale. Being sired by Maverick, Miranda combines the two most proven cow families on the ranch — Madonna and Miss Double A 468/7. She also falls in line genetically with the popular show heifer, ECC Polled Barbie 784/2 (P), who is being shown by Tanna Trapp.

All this to say, we believe she will be a star and we are happy to halter break her at the buyer's request.

Terms

ECC reserves the right to one (1) flush or the split of two (2) flushes, minimum of six (6) embryos, on all heifers in the sale.
