This is one that we hate to see go! One of the most winning females over the past two years to wear the ECC brand is undoubtedly ECC LG Blanche 557/1, who was shown by Kinsley Gandy. ECC Polled Julep 805/3 (P) is Blanche's first calf and was shown at her side during the end of her show career. For those that might not remember, Blanche is a daughter of ECC AX Polled Rio King 620 (P), our most performance-oriented bull, and out of a proven cow by the International Champion, JDH Clanton De Manso. You can learn more about Blanche on page 19 of this catalog.

Born on Derby Day last year, Julep is sweet and strong, with a little sass. Just check out her lot video and you will see what we mean! Julep is sired by ECC Polled Chief 719 (P)

one of our top herd sires that excels in Maternal Merit being out of the great genetics from D Bar Ranch and +Lazy J Miss Samantha, one of the most proven Polled cows in the breed. We love the calves by Chief, and know they are great producers based on the production consistency of his daughters we have retained for our own herd. Get in on a female that combines BOTH show ring appeal with real world production!
