Here is another super pick. Do you prefer JT252 that is pretty, feminine and polled, or do you like JT248 with deep red color, power and bone? They are out of one of the finest Wicked Witch daughters ever produced in JT194. JT194 is 10 years old and still has a perfect udder. These heifers are sure to carry on with predictable matings and perfect udders. Also, as you can see, these girls are super growthy. The best decision would be to take them both.
