[Click Here to View Pedigree & EPD'S](#)

If this TND Cattle embryo calf reminds you of leading polled semen sire High Tide, you're right. This is the full sister to CF High Tide and brings just as much potential quality and value to your program. Her dark red color and strong build compliment her balanced EPD indexes and impeccable pedigree. Imagine flushing a female like this to a high performance polled sire to give you a shot at a homo-polled product with maternal predictability.

**Quantity: 1**
