In celebration of their 50th year anniversary in the Beefmaster breed, Cottage Farm has generously offered up an outstanding pick of embryos from their Oasis clone.

Seldom has such a set been offered and never with this much opportunity and options. From breed legends like Logan, Vision, and Dr. Love to the breed's newest stars like Prime 8 and Unico, this is a no miss chance at donor producing embryos. In the 2024 Southern Tradition sale, 16 Oasis progeny sold for an average of over \$33,000 per head. Just think of the value of embryos like these that could yield that kind of quality to add back in your herd.
