Description

Donated by: Seale Show Cattle & Victor Guerra

Breed: Simbrah

Sire: HMO PRR Waylon 74

Dam: LMC Daydream 5Z/173

Here's a rare opportunity to access elite, sexed heifer genetics backed by proven champions and powerful cow families. These embryos combine HMO PRR Waylon 74 — a red baldy Purebred Simbrah with breed-leading numbers and major backdrop

success — and LMC Daydream 5Z/173, one of the most decorated and productive donors in the business.

Waylon is the total package: an outcross to most modern pedigrees, he's sired by PRR Prevail (a Full House x PRR Shania combo) and has already left his mark, with winners and donors throughout the Peach Creek Ranch program. Waylon ranks in the Top 1% for BF, Top 2% for YG, and Top 10% for ADG and REA — rare performance to go with his look and legacy.

Daydream is a daughter of the 2011 International Champion LMC Rhino and out of the iconic LMC WFC Ms. Dream Girl — a two-time National and International Champion herself. Daydream followed in her dam's footsteps, being named Reserve Champion at the 2014 Houston Junior Show and 2013 AJSR, before becoming a consistent and profitable donor who works with a wide variety of sires.

Big-league look, elite EPDs, and championship blood. This is a donor-making opportunity!
