**Registration Number:** 3376039

LMC Icon 3D/82 is a standout Simbrah sire that brings together elite Simmental and Simbrah genetics in a bold, eye-catching package. He's sired by FBFS Wheel Man, the 2012 Grand Champion Purebred Simmental Bull at the National Western in Denver, and out of the prolific LMC Daydream, a many-time champion donor known for her winning progeny and consistent quality.

Phenotype: Long-spined, extended fronted, and structurally correct with added eye appeal and strong muscle shape.

Performance: Icon calves are coming small at birth with quality and consistency across the board.

Genetics: Combines breed legends like SVF Steel Force, Mr. HOC Broker, and LMC WFC Ms. Dream Girl—cattle that have shaped both the Simmental and Simbrah industries.

LMC Daydream, his dam, is a proven donor and show ring legend, whose full siblings include LMC Gold Medal, LMC Lucky Charm, and LMC Daydream 5Z/173. The maternal strength in this pedigree is unmatched and has proven itself time and again in both performance and profitability.

Icon offers progressive genetics and phenotype with the added bonus of marketability. A full brother was selected by Baring Cattle Co. as a herd sire through the LMC Giving THANKS Online Sale—testament to the impact this line continues to make.

Don't miss this opportunity to add a unique, high-potential herd sire prospect to your toolbox.

Status: Black, Polled, DNA Verified
