RGV/LMC The Specialist J975 is a fresh, exciting red bull who has earned his place in the donor pen and show barn alike. Used heavily within the RGV Cattle Co. program, The Specialist sired the calf to Cecilia Guerra's 2023 Reserve Champion Simbrah Heifer at AJSR, RGV LMC Hope 2.0—a powerful testament to the impact he's already making in top show strings.

He combines style, stoutness, and soundness in a smooth-made, eye-catching design. The Specialist balances performance and phenotype with the kind of desirable frame size, muscle shape, and structure that breeders and judges both appreciate.

Pedigree power runs deep:

Sire: LMC BBS Skywalker – a son of the 2012 National Champion LN LMC 12th Man and the elite donor BBS Jennie Walker. This ties him to LMC BBS Jennie Love and LMC BBS Jazmine, champion females that have dominated the national show scene.

Dam: RGV Painted Beauty B476 – a red full sister to RGV LMC Dr. Beauty, making her a direct daughter of LMC ATZ Dr. Feel Good and ZZ Crimson Beauty. Her progeny includes the many-time champion RGV LMC Mr. Worldwide.

Backed by a royal pedigree and proven offspring, The Specialist is poised to become a breed leader. He currently ranks in the Top 25% for eight EPD traits, including Milk, ADG, and REA—ensuring his long-term value as both a phenotype and performance sire.
