Hello! I'm Henry Fountain, and I'm excited to share that I'm raising market rabbits as part of my 4-H project. This is my second year, and I'm passionate about learning everything I can about these amazing animals while building connections within my community. As a proud member of the Sweetwater Bandits 4-H Club, I'm dedicated to making a positive impact. Currently, my market rabbit weighs 6.34 pounds, and I'm eager to see how I can continue to grow and succeed in this journey! Your support means the world to me and helps inspire future generations in the field of agriculture.
